The United States  
Playing Card Company  
2022 Gift Catalog  
9-1-2022

Bicycle® brand playing cards deliver classic cards and memorable experiences that players can trust based on its long-standing tradition of producing quality, fun, and family-friendly products that bring people together.

Bee® brand playing cards are premium quality playing cards. Considered more durable than the average paper cards, these playing cards maintain their shape for increased play and use.

A high quality Linoid finish makes Tally-Ho® playing cards the premiere choice among flourishers and card magicians alike.

Aviator® playing cards are a well-known and trusted brand. With a slick finish and crisp feel, the Aviator® brand has been providing great products to loyal card players for many years.

Maverick® playing cards are traditional cards that are great for hours of fun.

KEM® brand playing cards are the finest playing cards in the world. Preferred by industry professionals, KEM® cards are made of a unique blend of paper and plastic that provides superior flexibility and strength for long-lasting use.
