PACKAGING

Eco package!

- Recycled paper = less waste
- Plastic-free = less impact
- Open box = less material

4-height adjustable aluminium painted T-bar with comfortable TPR ergonomic grips and an anti-scratch sleeve inside the painted column; for kids aged 15m to 9+.

2-height adjustable & wide soft TPR seat, mounted on a tool-less connector tube, which easily & safely moves the seat upward and backward with a knob for maximum comfort & space.

Detached handle (pre-assembly) for smaller packaging.

Patented folding system with a safe and easy side push button. Trolley mode compatible.

Patented steering lock button fixes the steering system of the two front wheels to only move forward & backward.

Two battery-free LED light-up, high-quality & high-rebound 121mm front PU casted wheels flash in white, and one 80mm rear PU casted wheel, mounted on ABEC 5 bearings.

SMART TECH
Patented Design

What's new?

- Wider seat
- 4-height T-bar
- Handlebar grips
- Clamp
- Light-up wheels now available

Product made with **100% recycled plastic & bio-sourced wheat-straw**; strong structural integrity with less environmental impact.

100% screw-less design to easily assemble and transform the product into a ride-on, walking bike and scooter.

Low metal reinforced structure with a wide, anti-slip composite deck, which supports up to 50kg.

Long & wide removable footrest, with an easy-to-unscrew knob, for more comfort and safety.

Also available without light-up wheels.

15M+

Safe Globber cover for walking bike mode is included in-pack. Easily clips to the T-bar when not in use.

ELITE SERIES

Comfortable and durable, dual-colour TPR ergonomic grips.

4-height adjustable aluminium T-bar with an anti-scratch sleeve inside the anodized coloured column, for kids aged 3 to 9+.

Low reinforced structure with an anti-slip, dual-colour composite deck supports up to 50kg.

Extra-long and wide bi-injection composite rear brake delivers brake efficiency and prolongs wheel longevity.

Two battery-free LED light-up, high-quality and high-rebound 121mm front PU casted wheels flash in red, green and blue, and one 80mm rear PU casted wheel, mounted on ABEC 5 bearings.

Also available without light-up wheels.

Patented elliptic folding system; easily fold the scooter without removing the T-bar from the deck. Trolley mode compatible.

Patented steering lock button fixes the steering system of the two front wheels to only move forward & backward.

Also available with flashing front deck

A selection of light-up scooters is available:

- Battery-free LED wheels (444-4XX).
- Battery-free LED wheels & battery-powered vibration sensor (449-XXX).
