Play for the Planet!

Green Toys makes safe, earth-friendly playthings for kids. By creating products made free of harm to children and the planet, we nurture young minds and bright futures. Let's play!

Safe, Recycled Materials

We make our toys with 100% recycled plastic - primarily milk jugs! They are collected, cleaned, reprocessed into our raw material, and mixed with food-safe, mineral-based colors. All of our products meet or exceed US and international toy safety standards.

Made in the USA

Child Development

We're committed to creating the best products possible for kids and families. Our products are evaluated by experts for developmental benefits - from motor skills to communication to cooperative and helping behaviors - so you can pick the perfect one every time.

Dough Done Right.

Green Toys™ Dough is the safe and simple way for kids as young as 2+ to enjoy the creative benefits of dough play. Our safe, non-toxic dough is made from quality ingredients like organic flour and food-grade coloring. The dishwasher-safe tools are made from 100% recycled plastic and contain no BPA, phthalates, or PVC. Designed to encourage imaginative play, the themed sets easily age-up as kids grow for dough play fun the whole family can enjoy.

Made with organic flour from farms in the USA.

Our dough is created in an FDA-compliant facility.

All dough and tools are made right here in the USA.

Our durable plastic tools are made from recycled milk jugs.

All plastic parts are dishwasher safe, making cleanup easy.
