New Wilberry Humpty Dumpty

Humpty Dumpty is one of the most popular children's nursery rhyme characters of all time, and for good reason! With his smart polka dot bowtie, blue and white checked trousers and jolly blue cap, we've never seen him looking smarter. Designed to sit up by himself - he is happy sitting on a window sill or a wall, but really prefers snuggling up for story and song time! Perfect when combined with some of our nursery rhyme finger puppets for added imaginative play.

Wilberry Eco Cuddlies

We are very proud of our Wilberry Eco Cuddlies collection of beautiful soft toys, carefully designed for play and made from 100% recycled materials, meaning you can help save the planet whilst having a huge amount of fun! These charming cuddly animals are easy to display - the Cuddlies sit up by themselves and make excellent additions to our existing collections. What's more, every single component in each toy - from the thread used to embroider the eyes to the stuffing making it extra cuddly - has been recycled - pretty impressive, huh? Suitable from birth with embroidered eyes, these popular animals are fun for everyone.
