Woman-Owned & Mother-Run

Together, eeBoo and Piece & Love embody a lifestyle that values and promotes old school values of family, quality, and a lifetime of learning. Our products offer opportunities to learn, cultivate imagination, and inspire conversation among peers and across generations.

Sustainable & Safe

For 30 years, eeBoo has been committed to responsible manufacturing. We use recycled board, vegetable-based inks, and FSC®-certified paper. We develop our products thoughtfully, minimize unnecessary packaging and participate in carbon offset to limit our environmental impact.

Screen-Free Activities

We believe that everyone deserves engaging alternatives to screen time—time to develop basic skills for children, time for parents to get down on the floor to play, and time to spend with friends and family. Our award-winning products offer a curriculum of developmental fun, but also moments for quiet, constructive alone time.

A young girl with two braids, wearing a pink shirt, is sitting at a wooden table outdoors. She is focused on painting a colorful fish on a piece of paper. On the table in front of her are a watercolor palette with various colors, a glass of water, and a watercolor book with a vibrant, colorful cover. The background is a lush garden with green foliage and several large, colorful flowers, including white and pink dahlias. The word 'eeboo' is written in a white, cursive font in the top right corner of the image.

Beautiful Artwork, Quality, and Design

Nothing leaves our studio that has not been thoughtfully, lovingly, and carefully designed. We commission our artwork from the very best and well-loved children's book illustrators, as well as emerging and established artists from around the world.

Made to Last & Tested for Safety

We develop our line in collaboration with educators, psychologists, artists, parents, and children. Our award-winning products are reliably sturdy; an eeBoo product can be handed down again and again. We safety test beyond the most stringent domestic and international standards.

Always Good

We believe in a job well done. Our brand promise is Always Good, which means we always make good things for our customers and they can always feel good about how they are made. We celebrate and respect the intelligence, curiosity, and developmental needs of people of all ages and learning levels.

Shapped Games 3+

eeBoo's shaped games bring a playful cast of characters to your shelf. Our award-winning games now add fun to a room even before they are opened
